

# What You Don't but should Know About Genital Warts

## The Basics

## What can you do?

### Speak Up

4 of 10 surveyed consumers\* say that STD screenings are not usually proactively offered.<sup>6</sup>

### Get Comfortable

Nearly half of health care professionals (HCPs) surveyed\*\* think the biggest barrier to the proper diagnosis and treatment of genital warts is that patients are too embarrassed to discuss symptoms.<sup>6</sup>

### Do Your Research

Only 2 of 10 HCPs surveyed\*\*\* report encouraging patients to do their own research before agreeing on a treatment.<sup>6</sup>

## Pick the Right Treatment for You

Your HCP can treat genital warts by freezing, burning or laser therapy in the office.<sup>5</sup>
